REMARKS

General conditions

The sales conditions apply to all orders. Any variation concerning orders must be accepted in writing by us. These conditions and prices may be revised at any time should any circumstances such as a higher manufacturing cost, raw materials, etc. change.

Orders

To prevent errors and ensure clarity, all orders must be submitted in writing (by post, fax or email), with the amount and reference no. from our price list and product description. All orders will be considered as confirmed once written notification is released.

Delivery date

Delivery dates serve as guidance only. Though all efforts are made to ensure punctual delivery on the date provided, we do not accept any responsibility for delays in delivery due to force majeure and circumstances beyond our control. We do not accept responsibility for any penalties or damage costs whatsoever. The delivery date is understood as the date upon which the goods are dispatched from our warehouses.

Prices

Prices are understood as 'ex-work tariffs' in l'Ametlla del Vallés (Barcelona) (EX WORKS), including packaging. All taxes, agreements and other costs and charges are to be met by the purchaser. Prices in Euro. VAT is not included.

Transport

Goods travel under the responsibility and at the risk of the purchaser, even when delivery has been paid. Clients should advise us of the form of transport they wish to contract.

Before accepting the merchandise, the client must check the state of seals, packaging and merchandise. In the event of any abnormality, the client should advise the carrier in less than 24 hours and provide us with written notification of the incidence, in order to ensure we can act accordingly.

Guarantee

PURICOM EUROPE guarantees its products for 2 years starting from the date of invoice of the system at the distributor. In particular, the manufacturer shall be held responsible for the lack of conformity of the systems, when this refers to the origin, identity or compliance of the products, according to their nature and the norms regulating them. Taking into account the type of product, and the importance of the system's use as well as the conditions of the water to be treated; to activate the guarantee, it is essential to fulfil the technical conditions of the installation and operation requested in the installation sheet of each system or in the Guarantee Form (Authorisation for the Return of Materials) from PURICOM EUROPE. Should these conditions not be fulfilled, the guarantee would remain invalid.

PURICOM EUROPE shall be only held responsible for the replacement of the parts of the system. The repair of the system and the costs that may arise (labour, transport costs, travelling expenses, etc.) will be assumed by the distributor.

The guarantee does not comprise parts suffering usual wear and tear, lack of maintenance, hits and other faults due to the improper use of the system. Likewise the guarantee will not be valid in those cases where it has been manipulated, modified or repaired using materials or procedures other than those provided by the Official Technical Assistance Service. For any claims under guarantee, it is required to provide the receipt of purchase and to fulfil the technical data, as well as, the information about installation and operation requested in the Guarantee Form (Authorisation for the Return of Materials) from PURICOM and, for some systems, it is required to activate the guarantee, according to the procedure indicated by the manufacturer.

Payment conditions

Except in the case of express written agreement to the contrary, all payments will be made in cash.

All taxes and charges accrued from buying and selling will be met by the purchaser.

Any delay in payment will result in the application of 3% interest per month, starting from the delay date, without written notification or requirements being issued by the vendor.

Any modification to the payment conditions must be notified in writing by our company.

Accordingly, as damages and losses, the purchaser is responsible for all bank and legal charges which may arise as the result of returning unpaid goods.

Returns

No returns are permitted unless they are the result of delivery errors due to our company. Should an error occur, invoice must be shown, as well as the previous order, in order to start the return process. Should this documents not be shown, the return of goods will be denied.

Under no circumstances may goods be returned without having received prior written authorisation from our company.

If said authorisation is received, the material must be delivered in perfect packaging, with freight collect, to our warehouse in l'Ametlla del Vallés.

Under no circumstances are returns permitted concerning special work and products adapted to the characteristics and requirements of our clients.

Corresponding sums will be added to the client's account and will be deducted from their next bill.

Cancellation

Without prejudice to any other claims which may correspond to us, we reserve the right to terminate or cancel any operation, in the event of failure to meet any of the aforementioned conditions, partial or total failure to pay for an order, delay in payments, as well as in the event that the purchaser faces executive procedures, or is declared in bankruptcy.

In the event that the purchaser terminates or cancels an order or contract, either partially or wholly, he must provide the vendor with 20 % of the value pertaining to the merchandise subject to said cancellation or termination, without prejudice to the vendor's right to claim damages for the losses incurred as a result of order cancellation.

Ownership reservation

The vendor reserves ownership to the goods sold until the purchaser has effected all payment. The vendor reserves the right to remove said articles, either wholly or partially, from the purchaser's premises.

Jurisdiction and legal competence

The purchaser agrees to renounce all jurisdiction which may correspond to him, and submit himself to the courts and tribunals of Barcelona concerning any action which may derive from failure to respect the aforementioned conditions.

The photographs, images and graphic materials included in this Catalogue, published for the first time in 2011, and later, are the property of the company PURICOM EUROPE and are covered and protected by the legislative R.D. 1/1996, April 12th, according to which the Consolidated Text on the Intellectual Property Law is approved. Third parties must not use the images included in the above mentioned catalogue, including copy, manipulation, distribution or public communication, without having previously received an authorisation or expressed consent from PURICOM EUROPE.

Failure to comply with the prohibition will entitle PURICOM EUROPE to exercise the actions envisaged in the legislative R.D. 1/1996, April 12th, and to adopt the provisional remedies envisaged in the law.

Likewise, any attempt to imitate the mentioned catalogue without the express authorisation from PURICOM EUROPE will be considered as an act of unfair competition, and will entitle the company to exercise the actions envisaged in Law 29/2009, December 30th, according to which the legal provisions of unfair competition and advertising for the improvement of the protection of consumers and users are modified.

WE RESERVE THE RIGHT TO INTRODUCE TOTAL OR PARTIAL VARIATIONS IN OUR PRODUCTS AND THE CONTENT OF THIS DOCUMENT WITHOUT PRIOR WARNING. COMMENT AND PHOTOGRAPH FIELDS ARE NOT CONTRACTUAL.
